

"Showcase Your Swagger"

Homecoming 2009 Talent Show

Homecoming Week is February 8-14, 2009 and the theme is "No One Has Swagger Like Us." On Tuesday, February, 9 at 8pm there will be a Talent Show taking place on stage in the SUB II Ballroom. Any GMU undergraduate or graduate student may participate.

If you are interested in participating, you must arrange a time with the Homecoming Committee to do a screening. Many of you have various talents, and the Program Board Homecoming Committee endorses all of these unique abilities. However, to keep a clean show there are a few restrictions: **NO** vulgarity, **NO** nudity, or anything considered obscene. In order to enforce these rules for tryouts, any music, costumes, and other items you plan to use in your act must be approved. If there is a last minute music change or costume adjustment, these must be approved by the Homecoming Committee **at least 48 hours prior to the event**. Please keep in mind that this is not to inhibit your creativity, but to make sure that the audience is not offended.

There will be 3 judges that are GMU faculty or staff. The judges' identities will not be revealed to you until the night of the show; however, rest assured that the judging will be nonbiased.

All judges' decisions are final. 1st place gets \$100, 2nd place gets \$50, and 3rd place gets \$25. If the winning acts have more than 1 person, the money has to be split evenly.

Please feel free to contact Homecoming Committee Chair, Katy Ross and Vice Chair, Nirali Raval at pbhmc@gmu.edu with any questions.
